# 30 Exploring the Louisiana Purchase

AP United States History  
Louisiana Purchase - Map

Directions:

1. Identify, by writing the name of, the 17 states (Maine is still part of Massachusetts) and the 3 territories which existed in the U.S. in 1803.
2. Identify the following by writing in the name:
  - a. Spanish Florida
  - b. Spanish Territory
  - c. The Oregon Country
  - d. Canada (British North America)
3. Using blue, outline the following rivers and write their name on the map:
  - a. Columbia river
  - b. Snake River
  - c. Missouri River
  - d. Platte River
  - e. Arkansas River
  - f. Red River
  - g. Mississippi River
4. Trace in the boundaries of the Louisiana Purchase: Use the rivers you just highlighted as a guide.
5. Coloring: (Develop your own color scheme)
  - a. Color in Spanish Florida, Spanish Territory, the Oregon Country, and Canada all in the same color.
  - b. Color in the U.S. states and territories in one color.
  - c. Color in the Louisiana Purchase in one color.
